

SON BEAMM

Proclaiming Jesus the Son of God to People on the Border of the United States and Mexico

JOIN US!

Violence and despair is found all along the U.S./Mexico border due to drug cartels warring for territory, extortion, and police and government corruption. You read about it in the newspaper or watch it on the national news. Your heart goes out to those folks affected by all this. But you say to yourself, "How does this affect me?" Because people living on the border today may some day be your neighbor, the teacher of your children, or even your doctor!

The Gospel is the power of Jesus Christ to transform individuals, communities, and the world. We invite you to come and hear how BEAMM is proclaiming the Gospel to the U.S./Mexico border and beyond. Please check out the schedule and if we are in your area, plan to attend. We would love to see you!

BEAMM LEADERS' RETREAT

Every once in a while, it's good to re-evaluate God's calling upon our lives and the things that we are doing as a result of that calling. During our semi-annual BEAMM Leaders' Retreat the end of August, we did just that. God blessed our time at Cloudhaven in Cloudcroft, NM where we prayed together, revisited our vision, evaluated how to lead our team, studied God's word and, of course, enjoyed each other's fellowship as brothers in Christ.

SUPPORT UPDATE

We praise God for your faithful prayer and financial support. Currently, we are about \$400/month short.

However, **Samuel and Zeny Lopez are in dire need of additional support.** Samuel is one of our Mexican church planters pastoring Frontera de Gracia (Border of Grace) in Juarez, the most dangerous city in the world. He is dedicated to seeing the Gospel penetrate this city of hurting and needy people. If you can help him financially, please send your tax-deductible donations to the MTW address in the box to the right. Please write their account number on the memo line. (Acct. #93905)

THANK YOU!

Samuel and Zeny Lopez

PRAY WITH US!

We would covet your prayers as we seek to serve and spread the Gospel here on the U.S./Mexico border.

- ❖ Praise God our support account has remained strong.
- ❖ Pray that God would supply financial support for our teammates, the Mayo's, Lopez's, Burkemper's, Davidson's, and Marooney's.
- ❖ Pray that peace would return to the violence-ridden Mexican cities on the border.
- ❖ Pray that God would give Gene and I wisdom, stamina, and perseverance as we lead this team that is spread out along this 2,000-mile border.
- ❖ Pray that we would look to the Lord for our emotional, physical, and spiritual strength.
- ❖ Pray for our upcoming travels and presentations.
