## What Can \$30 a Month Provide?

That is a question many of you have asked us over the past several months. The answer is a lot!! Your investment of just \$1 a day will allow us to complete our support. Which will allow us to provide training for the local church in developing ministries that will impact their community with the Gospel of Grace through Word and Deed.

MTW just approved us for a **Matching Funds Grant**. What this means is for every new monthly support pledge MTW will match with a one time amount that equals your monthly pledge!! So now is a great time to join our TEAM and double your first months support!!

We have about 200 people receiving our newsletter and we are very grateful for all of you!! 50 of those partners give financially, but if just 50 more of you would invest just \$1/day then that alone would bring our support level to 80%. The other 20% would be Church partnerships that are vital to our ministry.

**We are currently at 60% overall!**

**Will you pray about investing in Gods work along the border?**

*If God leads you to become a financial partner with us please contact us or MTW. Or Print and Mail in our support card [Thanks](#)*

### Prayer Request:

- Jossi's Diabetes has been difficult to control at School, She is currently on homebound school Pray for her and for our wisdom on the decisions that we need to make in the coming weeks regarding school options.
- For our efforts in raising support, many more doors would be opened for us to share Gods great work!!
- Violence in Juarez, MX would subside for the peace and safety for the citizens of Juarez as well as the construction could begin on the New Community Center.

## Vision Trip along the Texas/ Mexico Border

Jamie had the opportunity to visit the Eastern side of the Texas/Mexico border on Oct 22-24. It was a great time to be with teammates and partners of the ministry to witness Gods work and discern what God has planned for the future together. We spent the 3 days in Laredo, McAllen and Brownsville TX. visiting churches, pastors and future ministry site possibilities. The trip allowed us to spend time with teammates and gain a better understanding of how our work fits in with the overall goals and vision of BEAMM's ministry as well as just getting to know our team little better.

**We praise God for that opportunity and for the safe travels He provided for all us!!!**

**Fellow Workers and Partners who attended the Trip**

**Join with us in praising God for the New Financial Partners that have joined with us since our August Newsletter.** 3 of the 4 Churches that we visited this past summer have committed support. We have also gained 5 individuals as new partners. We thank all of you for your prayers during this time for us.

### Upcoming Travel Opportunities!!

In the last two months we have had the opportunity to share with 4 churches, one in Illinois, 3 in SC- Reidville, Roebuck & Seneca, near our home. We are grateful for these opportunities and praise God for opening the door for several more in November. Jamie and Jen will be traveling to several local churches in the coming weeks along with a trip to Illinois once again. Please be in prayer for our safety and that God will go before us and prepare the hearts of new partners according to His will!!

**Learning about Juarez on the Banks of the Rio Grande!!**
