## Thru You God Provided \$14,000!!!

Thank you for your prayers and generosity that provided \$14,000 to help decrease the deficit in our account with MTW. Our goal was to raise \$20k which would have not only erased the deficit but provided enough one time funds to help us until we raise enough support to cover our expenses on a monthly basis. You have encouraged us greatly and we deeply appreciate each one of you !!

**God is Great and He is our Provider!!!**

**So where does that leave us with our finances and MTW?**

Everyone has been amazed at your generosity which has improved our situation greatly. The fact remains that we still have a deficit of \$2500 which we will have to raise on top of maintaining a positive cash flow in our account each month. We need to raise \$1500/mth in pledges quickly which will put us in a positive cash flow with MTW.

### Prayer Request:

- John and Jossi return to school this week, and that they would be a witness for Christ!
- For our efforts in raising support, that many more doors would be opened to us to share Gods great work!!
- Violence in Juarez, MX would subside for the peace and safety of the citizens of Juarez as well for the construction could begin on the New Community Center.
- Wisdom for our Leaders at MTW and BEAMM as they make decisions each day.

**Would you invest \$1 a day if you knew it would earn a 100% return?**

As the economy has gone downhill the past several years many of us have been watching our investments and wondering what is a safe investment. What would be more secure than to invest in the Lords work in Missions.

**What can \$1 a day provide on the Mission Field?**

Training for the local church along with teaching the Biblical Call to Mercy Ministry. Training and support for the churches in developing ministry as well as prepare and mobilize the Church in those ministries. **In short, you would be providing children a new Hope for their lives.**

**Our goal is for 35 partners at the level of \$30/mth. Would you pray about joining our ministry team to complete that goal of the remaining 25 partners?**

**We ask that you also continue to pray for partners at higher levels which include churches and individuals to complete our financial support need.**

**National Volunteers and Workers providing daily care for the once-lost children in Mexico**

## Jennifer, John and Jossi go to Camp!!

Jennifer had the privilege of serving as counselor for 11-12 yr old girls. John and Jossi attended the camp and participated in many activities such as water sports, games, nature trails, rifle range and crafts. They also had daily devotions and Bible studies along with leadership training.

The camp theme was "To seize the Lord"

" Blessed is the one who reads the words of this prophecy, and blessed are those who hear it and take to heart what is written in it, because the time is near. "

-Rev 1:3
