

The Marooneys in Mexico July 2010

Juarez, Mexico

The border checkpoint from El Paso into Juarez. Pray for peace in this city where evil is flourishing. Also pray that God would strengthen His church to share the Gospel boldly in spite of tremendous fear.

Mission Trip

Sharon, Lizzy, and Hannah just returned from an El Paso mission trip constructing footers for a wall for the Peña family and ministering to other families from Las Tierras, a BEAMM church plant that started as a result of community development ministry. They had a hard time leaving El Paso and returning home longing to stay.

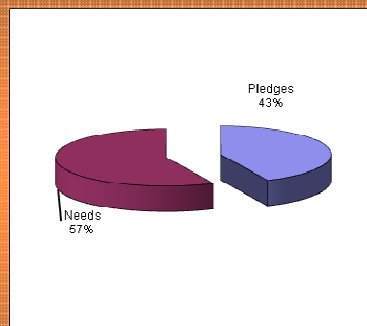

After returning from visiting churches in Colorado, Rick was suffering with a incessant cough that wouldn't go away. After X-rays that showed pneumonia and 2 doses of medication that cured the cough, a CAT scan showed that the pneumonia was gone but revealed enlarged lymph nodes in the lung area. A biopsy was done eliminating cancer as the cause leaving Sarcoidosis as the diagnosis which is treated with nothing but time. Praise the Lord for all your prayers for his health.

We are currently raising support by calling and visiting churches as our main focus during the summer months. Pray for more contacts and that support would increase. **We are now at 43% of our monthly budget! Praise the Lord! Our new goal is to be at 75% by November.**

We are excited about everyone God is calling to support this ministry – we pray for and love each of you!

Monthly Pledge Status:

We encourage you to get your pledge cards in now, even if you don't plan on beginning monthly support until after we are on the field. MTW counts pledges toward our total support raised before leaving for the field.
