- * Week long training in North Carolina on Living in Grace

New Friends!

At the "Living In Grace" conference, Paul Kooistra shared that there is nothing we can do today to cause God to love us more, and there is nothing we can do today to cause God to love us less. This totally frees me to just enjoy being with my Heavenly Father and pursue a deeper relationship with Him without worrying about my performance. He always loves me! Grace also makes me think more deeply about how much I grieve God's heart when I sin. Grace makes me want to be more holy because of God's love for me. What revolutionizing thoughts to meditate on!

Please pray for healthy bodies and family relationships as we travel and live in New York City for cross-cultural urban training and inner city ministry in New York City **July 1 – Aug 1**

Continue to pray that God's Spirit would move mightily on the border. Also for the BEAMM team and summer missions teams. **Praise Him** for the land purchase in Juarez on which to build the community center. Pray for the next phase of planning for this building project.

Praise Him for our support provisions! We are currently at 25% of our needed monthly amount. **Pray** for our daily trust in Him to provide for us in His timing. We thank Him daily for **all** of you!!
