April 2006

Dear Partners in Missions,

As we are in April now, we are mostly taken up with the preparation for *Semana Santa* (Holy Week) which is very important to the Mexican people. For the Mexican Christians, Good Friday and the Resurrection are the culmination. The Mision Las Playas will have its services Thursday evening and at dawn on Resurrection Day. We hope you have a blessed celebration of the death and resurrection of our Savior and Lord.

April also has other major activities. In the first full week, Gary will be teaching at the Mexicali seminary and then serving Mision Dios Soberano Saturday 8 and Palm Sunday. Also, April 20-22 is the Mexican presbytery meeting where Dr. James Baird will be presenting a mini-conference on vision building for missions. The only major May activity is the BEAMM Partnership meeting in Colorado Springs; if you are interested in officially partnering with us, go to www.beamm.org.

We do have some exciting news! The Roe family is at about 90% of the support raising and hope to come soon. The Call family has received final approval from MTW to prepare to come for church planting with Mision Las Playas. Their presence will help us tremendously. If you are interested in supporting them with prayers and finances, please tell me.

We just finished a month-and-a-half itineration trip. Somehow we had fallen behind in visiting all of you. We have worked out a plan to get to those churches we had not visited in a long, long time. The longest term ones will be getting another letter enclosed with this one to try to set visit dates. If you receive one, please answer it immediately. Our visitation policy is "First Come, First Served."

PLEASE PRAY

Praise for the death and resurrection of the Lord.

Petition for more Spanish speakers. to believe in Him.

Praise for regular and special ministries we have.

Petition for their effectiveness in reaching Spanish speakers for Christ.

Praise for the Roe and the Call families' preparation to come to Tijuana.

Petition for their support raising.

Praise for opportunities for us to visit you.

Petition for continual ability to itenerate.

Yours in Christ,

Gary Nantt
