**PARTICIPATION AGREEMENT**

**“I have read and agreed to give my full support** to the policies and procedures of the BEAMM/MTW Short-Term program as it is being directed. I will give attention and strict adherence to all rules and regulations during the project **and will ensure that my team, (youth, adults, and leaders),** do the same. I will exercise a spirit of submission to the project leader and do all I can to provide a positive and influential short-term missions experience. I understand that failure to fulfill this agreement may forfeit the participation of our team in this program. I also understand that **in the event there is any money left over in the project account,** it will be used for future project development and general administrative expenses as needed.”
